He was recently appointed to the Board of the Mississippi Physicians Care Network.

During his medical career, Dr. Short was responsible for writing numerous major articles for a multitude of medical and scientific journals and enjoyed public speaking on the subject of cardiovascular health.

His specialty of Cardiovascular and Thoracic Surgery led him to the Gulf Coast to Memorial Hospital to assist with the institution of open heart services and the establishment of Vascular Laboratories at Garden Park, Gulf Coast Community Hospital, Hancock Medical Center, and Memorial Hospital-Gulfport.

Dr. Short was a Commander, Medical Core, United States Navy Reserve. Life member, Naval Reserve Association.

Since the devastation of Hurricane Katrina, D.H. focused his life and service to the Pass Christian Rotary and the City of Pass Christian. He was intimately involved with Post Katrina Disaster Recovery and Special Projects. D.H. organized and coordinated a well developed relief plan that focused first on low income needy residents home rebuilding program and seven other major projects in the community. His passion was the rebuilding of Pass Christian after the destruction of Hurricane Katrina.

D.H. demonstrated “service above self” by reaching out and being the community’s spokesperson to Rotary Clubs throughout the United States and even Canada and Jamaica. He visited 150 Rotary Clubs in 15 states and 2 countries at his own expense on behalf of the unmet needs of his community following Hurricane Katrina.
